YOUR PAGEANT ENTRY!

Greetings,

The Miss Beautiful US Model pageant is a FREE system that allows participants to earn great prizes and titles based on effort and past achievements.

www.missbeautifulmodel.com

The competition may seem confusing at first, but once you get rolling, you will realize that it's not too difficult and can be tons of fun. Each season, we have repeat competitors, so you can assume that the quality of the contest and prizes outweighs any initial confusion :)

Below, we'll walk you through the local level entry. The state and national levels have similar formats, the only thing that changes is the number of credits and points that need to be earned. Remember, there is no actual fee to enter the pageant. The credits and points take place of any fee. Although some competitors spend money entering contests for credits, the MBUSM program is FREE, and we have had several national contestants reach the Above and Beyond phase each season without spending a dime. Be creative! Don't be afraid to ask pageants and pageant related services to help!

To get started, click on the LOCAL LEVEL link.

Remember, at EACH level of the pageant, you must submit an entry that includes a list of achievements and photos. You can send in your initial entry at the local level and just send updates for state and nationals. The entry can count for up to 200 points at the national level, so don't discount the value of this portion of the competition!

The sponsorship requirements posted on the Miss Beautiful US Model Website include:

Sponsors must donate a free item or gift certificate. If the sponsor is a photo contest, a free entry must be obtained.

The contestant must make up a certificate (if the sponsor does not already have one) with the value, sponsor prize, and sponsor contact info and email to the Miss Beautiful director to receive credit. Please keep in mind that some of the Pageant Emporium contests are monthly. Sponsors who currently donate to the contests DO NOT count for credits. Sponsorship must be for a year or more for the prize to count for credit. If the sponsor prize is a snail mail gift, the gifts must be mailed directly to our offices and received by the pageant deadline.

If you would be willing to sponsor a Pageant Emporium contest, I will make a certificate and send it to you so that you will recognize the sponsorship when they are claimed.

Thank you so much for your time!

I hope to hear from you soon!
